Gender & the Culture of High School

What clubs does your high school have related to gender and/or social justice?

If you were to start a club at your school, what would it be and why?

What could make those clubs better?
"The experience of the oppressed people is that the living of one's life is confined and shaped by forces and barriers which are not accidental or occasional and hence avoidable, but are systematically related to each other in such a way as to catch one between and among them and restrict or penalize motion in any direction. It is the experience of being caged in: All avenues, in every direction, are blocked or booby trapped." — "Oppression" by Marilyn Frue

What is the Bechdel Test??

It's a test for movies that has 3 criteria:
(1) it has to have at least two named women in it, who
(2) who talk to each other, about
(3) something other than a man

Do your favorite movies pass??

Which do? Which don't?

Favorite movies that don't pass the Bechdel test?
Why don't they?

Do you think the Bechdel test is a good way to show how far the movie industry still has to go?
Why or why not?
