FRANKLIN ELECTRIC CHARITABLE AND EDUCATIONAL FOUNDATION ENGINEERING SCHOLARSHIP PROGRAM

The purpose of the Franklin Electric Charitable and Educational Foundation Engineering Scholarship Program, (the "Program") is to provide financial assistance for college tuition, to qualified students who are seeking to obtain an engineering degree in Mechanical Engineering, Electrical Engineering, or Computer Engineering. All funds awarded under the Program will be paid by the Franklin Electric Charitable and Education Foundation ("FECEF").

Definitions
Applicant: means the person applying for the Program.
Qualifying Engineering Program: means Bachelors of Science in (i) mechanical engineering, (ii) electrical engineering, or (iii) computer engineering.
Recipient: means the Applicant chosen to receive the program funds.

Scholarship
The Program is for up to two (2) consecutive Academic Years. Each scholarship will be $5,000 per academic year payable at $2,500 for each completed semester for a total scholarship of up to $10,000. However, there are requirements to remain eligible for subsequent payments under the Program. This scholarship will also include a paid summer internship position between the recipients Junior and Senior academic school year.

Eligibility Requirements
At the time of application, the Applicant must be a sophomore or junior in one of the above engineering programs at IPFW and currently maintain at least a 3.0 GPA (on a 4.0 scale).

Applying
Applicant must complete and return this Application no later than September 14, 2016. Neither FECEF nor Franklin Electric are responsible for untimely submissions regardless of the cause or reason for the untimeliness.

In addition to this Application, an Applicant must submit his/her:
1. Unofficial college(s) transcript;
2. Three reference letters from faculty who can attest to the Applicant’s character, potential, demonstrated citizenship, and ability to complete the applicable degree;
3. A written essay (1-2 pages, typed and double spaced) in the Applicant’s own words. The essay should include present background for personal interest in engineering; qualifications and accomplishments for scholarship consideration and any other information that might be relevant in evaluating the Applicant.

The completed Application, along with all required documentation must be returned to:
Mary Jane Casiano, Administrative Assistant, College of Engineering,
Technology, and Computer Science Engineering, Technology, and Computer Science Building,
Room 243C, Phone: 260-481-6839, Email: casiano@ipfw.edu

Disclosure
Applicant, by signing and submitting this application, consents to Franklin Electric's public disclosure of the Applicant's name and likeness, should Applicant be chosen to participate in the Program.

Award Criteria and Process
FECEF will appoint a Selection Committee comprised of IPFW Professors and Staff and Franklin Electric professionals. The Committee will review the applications considering the scholastic achievement, application details, reference letters, and the written essay. Qualifying applicants will be interviewed by designated appointees of the Selection Committee.

Recipient Responsibility
Failure to follow these responsibilities may result in Recipient's forfeiture of future payments under the Program. FECEF reserves the right to cease making payments under the Program if Recipient fails to meet these continuing responsibilities:

- Recipient must conduct his/her self in a respectful manner.
- Recipient must maintain at least a 3.0 GPA (on a 4.0 scale).
- Recipient must provide evidence of enrollment at IPFW in a Qualifying Engineering Program before the first payment will be made.
- Recipient must provide a copy of each semester's grades, along with proof of enrollment for the following semester before the next payment will be made.
- Recipient must be a full-time student for sequential semesters.

Miscellaneous
FECEF reserve the right to cancel, modify, or suspend this Program at any time. No Recipient shall have a continuing legal right in any funds awarded under this Program. The Foundation reserves the right to not award a scholarship if the conduct of the recipient should at any time be considered by the Foundation to be contrary to the best interests of the program, or in the opinion of the Foundation does not contribute to good citizenship.
