JASON AND KAREN BENDER CITIZEN SCHOLAR
ENDOWED SCHOLARSHIP

**To be eligible for this scholarship, candidates must:**

A. Be enrolled as an undergraduate in the College of Engineering, Technology, and Computer Science; and
B. Declared Civil & Mechanical Engineering or Electrical and Computing Engineering as their major; and
C. Hold a cumulative 3.0 grade point average; and
D. Demonstrate his or her involvement in the military or community service. Selection preference will be given to candidates who have freshmen or sophomore class standing. Further preference will be given to candidates with former or current military experience over community service.

A recipient of the scholarship is eligible to be among the candidates considered for one additional year so long as the candidate continues to meet eligibility requirements. The recipient can only receive the award for two years, at which time a new recipient must be selected.

**To apply:**

1. Submit one page written summary regarding the criteria listed above.

**Please submit by September 5, 2017 to:**

Mary Jane Casiano, Administrative Assistant
College of Engineering, Technology, and Computer Science
