Required Disclosures to Current and Prospective Students regarding the Post-Baccalaureate Certificate in Accounting

Federal regulations issued by the Department of Education require that IPFW make certain information about this certificate program available. Disclosure of this data is a condition of awarding federal financial assistance to eligible students in this non-degree program. If you have questions about this information or how this program will prepare you for gainful employment, please contact the Richard T. Doermer School of Business.

Certificate Program Name: Post-Baccalaureate Certificate in Accounting, Doermer School of Business

This certificate program is designed to prepare students for the following occupations, which are identified by federal Standard Occupational Classification (SOC) Codes found at: http://www.bls.gov/SOC/

Occupations: 13-2011.00 – Accountants and Auditors

Click on the occupation code to link to O*NET for detailed information about this occupation.

Program Costs: Costs for this program are estimated based on Indiana resident 2012-2013 tuition rates and fee schedules. Costs for books and supplies are approximate and may not reflect your actual expenses. Complete information is available at: http://new.ipfw.edu/financial/tuition-fees/

This program requires a minimum of 36 credit hours.

Minimum Total Tuition: $ 8,001.00
Minimum Total Fees: $ 1,166.40
Books and Supply Cost: $ 700 per full-time semester

Your total estimated cost of attendance includes room and board expenses. The financial aid office estimates students will incur room and board costs of approximately $5,094 per semester. Other costs to consider include transportation and personal expenses.

Statistics below are based on students who completed this certificate, or any other certificate at this campus with the same CIP code during the most recently completed academic year. Students are counted only if this certificate was their primary academic objective, rather than earned while the student pursued a degree. Where fewer than 10 such students completed the certificate in a year, the Department of Education requests that the data be withheld for privacy reasons.

Classification of Instructional Program Code (CIP): 52.0301, Accounting

On-time Completion Rate: 9.6 %
