To be considered for tuition reimbursement at the end of the Spring 2016 semester you must have:

• Successfully completed your designated course(s) with a B or above
• Met all other eligibility requirements outlined on the information sheet for this program
• Provide documentation to the ETCS Dean proving:
  ○ You met all qualification requirements
  ○ You successfully completed the designated course(s)
  ○ The amount you paid for the designated course(s)

Prior to applying for this opportunity, a student that has any type of financial aid should contact the IPFW Financial Aid Office to find out any implications on this tuition incentive.

Please note:
Awards made on a first come, first served basis beginning **November 9, 2015** (after qualifications verified by Dean’s Office).
Submit completed forms in person to Mary Jane Casiano in ET 243C.
**No early forms will be accepted.**
