Proceed to your Blackboard login page. Enter in your login information.
Once logged in, proceed to the appropriate course within “My Courses”.
Once within the course, select “Content” within the course menu options area. Keep in mind; this may be called “Class Sessions” at your campus.
To access your eTextbook, simply click the eText title or the cover of the book.
When opening your VitalSource eTextbook for the first time, you will be prompted to finish configuring your account.
Once you have created your account you will be prompted to review and accept the End User License Agreement.
Once you have accepted the End User License Agreement, you will be redirected to your eTextbook.
