We are seeking design ideas for the sculpture that we plan on building in the Evansville Bicentennial Park to honor our former Chief Justice Randall T. Shepard. The designer of the chosen design will receive a scholarship in return.

Win $2,000

To view a copy of the proposal see Kaye: ET 327. Proposals for a Competition among Indiana College and University students to design and build a Public Art project at the future site of Bicentennial Park in Evansville, Indiana. Our hope is that you will disseminate the RFP so that IPFW students are aware of and may participate in the competition if they so choose.

With a scholarship prize of $2,000 to the winning submission, and the honor of having their design built and constructed in downtown Evansville, we sincerely hope that IPFW students will be energized to participate in the competition. If you could kindly confirm receipt of the RFP, I would very much appreciate it. Thank you in advance.

Best,
Casey Kannenberg, Chair, Shepard Public Art Project Steering Committee
