COLLEGE OF ENGINEERING, TECHNOLOGY, AND COMPUTER SCIENCE

BACHELOR DEGREE REQUIREMENTS

In addition to the IPFW General Education Requirements for all baccalaureate degrees and the requirements for your major, you must satisfy the following school requirements:

1. Earn a minimum of 120 credits.

2. Earn a graduation GPA of 2.00 or better over those courses required for the major which are offered by the major department.

3. Satisfactorily complete ENG W131 or an equivalent English composition course with a grade of C or better.

4. Satisfactorily complete any additional degree and credit hour requirements defined by individual departments based upon respective accrediting body criteria.

No credit toward graduation will be given (a) courses or sequences considered to have overlapping content (see lists of School of Arts and Sciences) and (b) developmental courses such as CHM 100; EDUC X15x; ENG R15x; W11x; W130; and MA 109, 111,113.
