The Doermer Dispatch

What's New!

It’s time to start thinking about registration for fall classes! The fall schedule of classes should be available online by this weekend. A few changes to be noted:
1) registration is later than usual this year. Seniors don’t begin registration until April 1.
2) BUS L200 course number has been changed to BUS L203. So if you are looking for BUS L200, register for BUS L203 instead.

National Student Exchange

For those wishing to participate in the National Student Exchange you must have your application in by no later than February 22nd.
