**ACEN currently – > CCNE accreditation for Baccalaureate and Masters Programs.** CCNE accreditation completed in January 2016. Exit review was favorable for department compliance with standards. Pending CCNE full report due in Fall 2016.

**Indiana State Board of Nursing – Nursing program is in compliance with all ISBON requirements.** Spring 2016: Clinical groups in NUR 41900 and NUR 44200 reduced to 10 students per clinical per ISBON guidelines.
### RUBRIC

| To what extent did the unit evaluate the impact of accreditation constraints and/or benefits? | The program has (or is working toward) accreditation but did not provide any information regarding constraints and/or benefits. | The program has (or is working toward) accreditation and provided a basic list of constraints and/or benefits but did not analyze their impact. | The program has (or is working toward) accreditation and analyzed the impact of their constraints and/or benefits. |

### TASK FORCE COMMENTS AND/OR QUESTIONS:

4. Upon review of your department data, are there any data you wish to comment on or contextualize? (Note: Populated metrics will be distributed to departments in January.)

   Department metrics highlight the significant dollar contribution of the department in terms of tuition revenue and credit hours to students, including non-nursing students.

5. Who provides advising to your students? (Please check as many as apply)
   - ☒ Faculty
   - ☒ Peer
   - ☒ Professional
   - ☐ N/A

6. Are your students required to meet with an advisor each semester?
   - Yes
   - Comments: Students are encouraged to meet with an advisor each semester. Open advising hours are provided during course enrollment timeframes. Faculty provide mentorship as they advise nursing students. Graduate students must have contact via phone, face to face or skype with their academic faculty each semester.
7. Does your department have formal advising policies that are to be followed?

Students are expected to confer with their Professors if they earn less than a 75% on any exam. The department employs two professional advisors who work with student academic progression matters. Faculty also provide mentoring within the discipline and avail themselves to students during scheduled online and f2f office hours. Students who enter the nursing program and have demonstrated lower than preferable scores on their Test of Essential Academic Skills (TEAS) exam meet with the Director of Undergraduate Nursing program and agree to a contract for consistently meeting throughout the semester to share content mastery and test-taking skills. The department employs two (2) professional advisors for academic advising.

8. Do you collect employment data for your graduates?

Yes

9. If you answered “Yes” to Question #8, what % of your graduates from the last academic year (2014-2015) are employed in their field of study or enrolled in another educational program? NOTE: If you do not collect this data by department, we will refer to Destination Survey: [http://www.ipfw.edu/microsites/usap/destination-survey/index.html](http://www.ipfw.edu/microsites/usap/destination-survey/index.html).

80-100% of graduates are gainfully employed as practicing professional nurses

80-90% of M.S. with a Major in Nursing are employed as advance practice nurses.

10. If you reported data in question #9, how was this data collected?

Data is collected via survey responses.
11. Upon review of your department data as reflected in the Destination Survey, are there any data you wish to comment on or contextualize? To view this report, visit: http://www.ipfw.edu/microsites/usap/destination-survey/index.html.

Part II

**Instructions:** Report the status of goals created last year and add any new goals in order to have a minimum of three and no more than five “currently active” goals that you are working on. Currently active goals include goals from last year that you are still working on plus any new goals you are adding this year. Part 2 is pre-populated with last year’s goals along with space to report on up to five new goals. For example, if your unit had 8 goals last year, your report will come with space to report on up to 13 goals total (8 from last year + 5 potentially new goals). In the event that you have completed or eliminated last year’s goals you will add 3-5 entirely new goals, hence the space for five additional goals.

The task force determined that in the interest of aligning resources to strategic priorities, it is best to focus on 3-5 goals for each unit and that those goals should include a mix of maintenance and aspirational goals. Goals that were reported last year and are now completed or eliminated do not count in this number (although you will be asked to provide an update). We recognize that you may be required to eliminate goals from last year’s report simply to fit within the limit and it is up to units to decide which 3-5 they wish to focus and report on. Highly strategic units may very well have more than 5 goals they are working towards but the task force requests that you identify which of those are “active” for USAP-purposes. **Leave any unused goals blank.**

**Note:** In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal **IA.1** or **IA.2**. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric **1.M.1** and associated outcomes, focused on improving retention and graduation rates.
Goal 1

1. Enter a unit goal:

   The Department of Nursing will expand its programs for returning RNs seeking to complete a baccalaureate or higher degree. More specifically, the RN to B.S. program will increase the number of baccalaureate-prepared students by 25% or more over the next 3 years.

2. Status of goal:

   ☐ Completed      ☐ Eliminated      ☐ Modified      ☒ In Process      ☐ New

3. If goal has been completed, what was the impact on your unit and Plan 2020?

   Click here to enter text.

   **If this goal was completed, skip to the next goal.**

4. If eliminated or modified, state reason:

   ☐ No funding for supplies and expenses      ☐ Priorities shifted
   ☐ No funding for salary & wages            ☐ Loss of staffing
   ☐ No funding for equipment / maintenance of equipment
   ☐ Other: If ‘Other’, click here to explain.

   **If this goal was eliminated, skip to the next goal.**

5. Type of goal:

   ☒ Create/Develop      ☐ Eliminate/Discontinue      ☐ Improve/Enhance
   ☐ Increase Efficiency  ☐ Maintain                      ☐ Stretch
   ☐ Other: If ‘Other’, click here to explain.
6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

7. Is the unit goal a high, medium or low priority?

High

8. Why is this goal important to your unit, the university or both?

The goal is important to both. The goal will help the unit serve the needs of its community of interest and will bring visibility to IPFW and to the Nursing Department. To enable goal attainment, Parkview Health will provide substantial resources for their practicing nurses.
to earn baccalaureate degrees at IPFW as a component of their pathway to Magnet Hospital Designation, which requires BS preparation for the majority of its nursing workforce.

9. If continuing your goal, what progress have you made or which action steps have been completed?

Most of the above steps have been accomplished, now awaiting final course numbers for the Banner system and finalization of course work for College Curricular Approval. The goal is to have the program *go live* as soon as approvals are in place and a class is recruited. Marketing efforts cannot begin until the courses are approved.

10. What action(s) does your unit plan to take to support this unit goal?

Faculty have been given planning release time and will receive extra FTE workload to teach in the program. Additional faculty (3 Masters Prepared Nurses) have been requested from Parkview Health. Currently interviewing applicants for three tenure-track and two clinical-assistant positions for the undergraduate program to help with teaching demands.

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the [Plan 2020 Coding document](#), identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. **Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.**

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

Select up to three Plan 2020 Goals to align with. **Choose only one goal for each row.**
