Part I

1. What does your unit do and how does it support the mission of the university?

   It is the mission of the Department of Psychology to offer a high quality education to the students of northeast Indiana who seek a Bachelor's degree in psychology. The department also serves the needs of IPFW students majoring in other disciplines who seek a minor in psychology and offers coursework in psychology to serve the general education mission of the university. We seek to advance psychological knowledge through the research of our faculty and students, and to share our expertise with the community. We strive to foster evidence-based thinking in our students and we place special value on faculty-student collaborations in the production and dissemination of research.

8. Do you collect employment data for your graduates?

No

9. If you answered “Yes” to Question #8, what % of your graduates from the last academic year (2014-2015) are employed in their field of study or enrolled in another educational program? **NOTE: If you do not collect this data by department, we will refer to Destination Survey:** [http://www.ipfw.edu/microsites/usap/destination-survey/index.html](http://www.ipfw.edu/microsites/usap/destination-survey/index.html).

To view this report, visit: [http://www.ipfw.edu/microsites/usap/destination-survey/index.html](http://www.ipfw.edu/microsites/usap/destination-survey/index.html).

The Destination Survey does not reliably reflect the employment of psychology graduates because the Survey is administered within a month after graduation and it often takes our students longer than a month to find employment.

12. Upon review of your department data as reflected in the Employment Demand Report, are there any data you wish to comment on or contextualize? To view this report, visit: [http://www.ipfw.edu/microsites/usap/employment-outlook/index.html](http://www.ipfw.edu/microsites/usap/employment-outlook/index.html).

About 1/3 of psychology graduates nationwide enter business-related careers; not sure that the Employment Demand Report takes this into account.

13. Do you wish to provide any response to last year’s task force comments?

No
14. Please list the names of the authors of this USAP report.

Part II

Instructions: Report the status of goals created last year and add any new goals in order to have a minimum of three and no more than five “currently active” goals that you are working on. Currently active goals include goals from last year that you are still working on plus any new goals you are adding this year. Part 2 is pre-populated with last year’s goals along with space to report on up to five new goals. For example, if your unit had 8 goals last year, your report will come with space to report on up to 13 goals total (8 from last year + 5 potentially new goals). In the event that you have completed or eliminated last year’s goals you will add 3-5 entirely new goals, hence the space for five additional goals.

The task force determined that in the interest of aligning resources to strategic priorities, it is best to focus on 3-5 goals for each unit and that those goals should include a mix of maintenance and aspirational goals. Goals that were reported last year and are now completed or eliminated do not count in this number (although you will be asked to provide an update). We recognize that you may be required to eliminate goals from last year’s report simply to fit within the limit and it is up to units to decide which 3-5 they wish to focus and report on. Highly strategic units may very well have more than 5 goals they are working towards but the task force requests that you identify which of those are “active” for USAP-purposes. Leave any unused goals blank.

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.
Goal 1

1. Enter a unit goal:

   Establish effectiveness of attempts to develop basics of scientific writing skills in new Critical Foundations in Psychology course required early in major; enhanced writing component of the course was expressly developed in response to deficits in student writing found in department assessment of writing.

2. Status of goal:

   ☒ Completed   ☐ Eliminated   ☐ Modified   ☐ In Process   ☐ New

3. If goal has been completed, what was the impact on your unit and Plan 2020?

   Writing assignments developed for the new course, PSY 14000-Critical Foundations for Psychology, appeared to be effective. For example, students who prepared higher quality matrices or diagrams about information from scientific articles in early course assignments were significantly more likely to integrate and synthesize the information from the articles in a subsequent assignment.

   **If this goal was completed, skip to the next goal.**

4. If eliminated or modified, state reason:

   ☐ No funding for supplies and expenses   ☐ Priorities shifted
   ☐ No funding for salary & wages   ☐ Loss of staffing
   ☐ No funding for equipment / maintenance of equipment
   ☐ Other: If ‘Other’, click here to explain.

   **If this goal was eliminated, skip to the next goal.**
5. Type of goal:

☐ Create/Develop    ☐ Eliminate/Discontinue    ☐ Improve/Enhance
☐ Increase Efficiency    ☐ Maintain    ☐ Stretch
☐ Other: If ‘Other’, click here to explain.

6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. **Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.**

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

**Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. 8. Why is this goal important to your unit, the university or both?

We hope it will increase connection of beginning students to our program and thus increase retention.
9. If continuing your goal, what progress have you made or which action steps have been completed?

A pilot program was carried out in summer and fall of 2015 in which advanced psychology majors who served as orientation assistants in the summer then served as mentors to beginning students in the fall semester. Participation in the program by beginning students was not at the desired level, so we are developing a service-learning class for advanced majors in the summer, in conjunction with new student orientation, which will provide more structure to the program.

10. What action(s) does your unit plan to take to support this unit goal?

The new class to further develop research-based mentoring activities of advanced majors, Peer Mentoring and Leadership, which will be offered in the upcoming summer session.

Goal 4

1. Enter a unit goal:

   More intensive advising for beginning majors and career advising for majors headed to BA-level careers; students have repeatedly expressed a desire for more career advising.

2. Status of goal:

   ☑ Completed      ☐ Eliminated      ☐ Modified      ☐ In Process      ☐ New

3. If goal has been completed, what was the impact on your unit and Plan 2020?

   We have submitted a request for a professional advisor and we are waiting to hear whether it will be approved.

   **If this goal was completed, skip to the next goal.**

4. If eliminated or modified, state reason:

   ☐ No funding for supplies and expenses      ☐ Priorities shifted
   ☐ No funding for salary & wages      ☐ Loss of staffing
   ☐ No funding for equipment / maintenance of equipment
   ☐ Other: If ‘Other’, click here to explain.

   **If this goal was eliminated, skip to the next goal.**

5. Type of goal:

   ☐ Create/Develop      ☐ Eliminate/Discontinue      ☐ Improve/Enhance
   ☐ Increase Efficiency      ☐ Maintain      ☐ Stretch
   ☐ Other: If ‘Other’, click here to explain.
6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

Select up to three Plan 2020 Goals to align with. Choose only one goal for each row.

7. Is the unit goal a high, medium or low priority?

Medium

8. Why is this goal important to your unit, the university or both?

Higher retention may result from this program due to increased participation in high-impact learning experiences and engagement in campus events. Another expected result is increased preparation for post-graduation careers, which is especially important for students in non-professional majors such as psychology, given the public perception that the major does not lead to gainful employment.

9. If continuing your goal, what progress have you made or which action steps have been completed?

Click here to enter text.

10. What action(s) does your unit plan to take to support this unit goal?

Develop categories of activities (e.g., attend a job seminar; participate in psychology club event) for which students must earn a certain number of points that will be counted in the orientation course (PSY 14000) at the beginning of the major and in a capstone course at the end of the major.

6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

Select up to three Plan 2020 Goals to align with. Choose only one goal for each row.
