Part II

**Instructions:** Report the status of goals created last year and add any new goals in order to have a minimum of three and no more than five “currently active” goals that you are working on. Currently active goals include goals from last year that you are still working on plus any new goals you are adding this year. Part 2 is pre-populated with last year’s goals along with space to report on up to five new goals. For example, if your unit had 8 goals last year, your report will come with space to report on up to 13 goals total (8 from last year + 5 potentially new goals). In the event that you have completed or eliminated last year’s goals you will add 3-5 entirely new goals, hence the space for five additional goals.

The task force determined that in the interest of aligning resources to strategic priorities, it is best to focus on 3-5 goals for each unit and that those goals should include a mix of maintenance and aspirational goals. Goals that were reported last year and are now completed or eliminated do not count in this number (although you will be asked to provide an update). We recognize that you may be required to eliminate goals from last year’s report simply to fit within the limit and it is up to units to decide which 3-5 they wish to focus and report on. Highly strategic units may very well have more than 5 goals they are working towards but the task force requests that you identify which of those are “active” for USAP-purposes. **Leave any unused goals blank.**

**Note:** In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal **IA.1** or **IA.2**. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric **1.M.1** and associated **outcomes**, focused on improving retention and graduation rates.
Goal 1

1. Enter a unit goal:

Promote and support students' scholarly activities for enhancing learning, competency, and career development

2. Status of goal:

☐ Completed  ☐ Eliminated  ☐ Modified  ☒ In Process  ☐ New

3. If goal has been completed, what was the impact on your unit and Plan 2020?

If this goal was completed, skip to the next goal.

4. If eliminated or modified, state reason:

☐ No funding for supplies and expenses  ☐ Priorities shifted
☐ No funding for salary & wages  ☐ Loss of staffing
☐ No funding for equipment / maintenance of equipment

If this goal was eliminated, skip to the next goal.

5. Type of goal:

☐ Create/Develop  ☐ Eliminate/Discontinue  ☒ Improve/Enhance
☐ Increase Efficiency  ☐ Maintain  ☐ Stretch
☐ Other:  If ‘Other’, click here to explain.
6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

Select up to three Plan 2020 Goals to align with. Choose only one goal for each row.

6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.

6. How does your unit goal align with Plan 2020 Goals, Metrics & Outcomes?

Using the Plan 2020 Coding document, identify which three Plan 2020 goals, metrics or outcomes best align with your unit goal. **Please make only one selection for each row, using the appropriate drop-down menu based on the Plan 2020 Goal area you want to align with.**

Plan 2020 is structured around four goal areas: I – Student Success, II – Creation, Integration and Application of Knowledge, III – Regional Activities, and IV – Creating a Stronger University. You may find that your unit goal aligns to multiple Plan 2020 goals and at different levels, and that is fine. Please choose goals at the lowest level only. (For example, if you have a unit goal focused on building a relationship with a regional partner, you only need to choose I.E.3 and not I.E. or I. Conversely, if you have a unit goal that aligns with student success but doesn’t really have an applicable lower-level goal, choose I – Student Success.)

*Note: In the first year, each unit that was directly responsible for student learning (whether the unit was academic or academic support) included at least ONE unit goal (among its other goals) that aligned with EITHER Goal I.A.1 or I.A.2. For this year, each unit directly responsible for students (whether the unit is academic or academic support) should include at least ONE unit goal (among its other goals) that aligns with Metric 1.M.1 and associated outcomes, focused on improving retention and graduation rates.*

Select up to three Plan 2020 Goals to align with. Choose only one goal for each row.
