SECTION 1: STUDENTS ENTERING THE U.S. FOR THE FIRST TIME - APPLYING FOR A STUDENT VISA

- A Certificate of Eligibility (COE) is necessary to apply for a visa and is issued by the school you will attend. The COE is Form I-20 for F-1 students or Form DS-2019 for J-1 students. If another sponsor or agency will provide the I-20 or DS-2019 to you, or if you have another visa type such as E, L, H or TN, you will not receive a COE from IPFW.

- Students who have the designation “Initial Entry” on the I-20 or “To Begin Program” on the DS-2019 must pay the SEVIS fee before their visa appointment.

- See the attached SEVIS Fee info sheet for details about paying the SEVIS fee. You can view information about paying the SEVIS Fee at http://new.ipfw.edu/dotAsset/107029.pdf.

- For making an appointment for a student visa visit http://travel.state.gov/visa/temp/types/types_1268.html.

- For VISA Interview Tips visit the following webpage http://new.ipfw.edu/dotAsset/158624.pdf.

- After paying the SEVIS fee online, it is important to print out the receipt. Take the receipt and the other required items to a U.S. Embassy or Consulate closest to you to apply for an F-1 visa or J-1 visa.

- Carry all documents on your person when you come to IPFW; do not place documents in checked luggage. You will need to present them to an officer before claiming your luggage. You should also carry original financial documents as proof of the funding listed on your COE. A United States border patrol officer will review your documents when you enter the U.S.

- Before you leave the officer’s counter, check to be sure you have a port-of-entry stamp on the I-20 or DS-2019 and that your I-94 Arrival /Departure card has the notation F-1 D/S or J-1 D/S. All dependent documents should be stamped and notated F-2 D/S or J-2 D/S.

TRANSFER STUDENTS IN THE U.S.:

- NOTE: Students transferring to IPFW from another institution in the U.S. do not need to apply for a new visa if:
  1. You are currently in the U.S. and do not intend to leave the country prior to the start of the semester
  2. Your current F-1 visa is still valid

- To complete the SEVIS I-20 transfer process, you will need to be issued a new SEVIS I-20 from IPFW. The U.S. Department of Homeland Security (DHS) requires your SEVIS I-20 record to be legally transferred (released) to IPFW from your current college/university in the United States. Please request that your current school transfer your SEVIS I-20 record to:
  - Indiana University-Purdue University Fort Wayne (CHI214F10460001)

- If you will be leaving the U.S. prior to the start of the fall semester, you must use the new I-20 issued by IPFW to re-enter. If your current F-1 visa has expired, you will need to apply for a new visa using the new I-20 issued by IPFW.
SECTION 2: TRAVELING TO IPFW & ARRIVAL PICK-UP SERVICE

**Immigration law limits arrival into the U.S. to no earlier than 30 days prior to the Program Start Date listed on the Certificate of Eligibility.**

In that case OIE will let you know in advance.

*Airport pick up service may be reserved for August 6, 7, and 8 ONLY!*

Transfer students must schedule and attend the New International Orientation Program. You must do the check-in before starting any on-campus employment at IPFW. Failure to do these things will lead to loss of legal nonimmigrant status and interruption of studies.

A detailed schedule of the OIE orientation and social events will be posted online on the OIE website.
SECTION 5: REGISTERING FOR CLASSES

- Before you register for classes you may complete the Writing guided self-placement test online, The Math and English Placement tests, if required, with be administered during orientation week. Your student ID will allow you to use many university facilities including the Helmke library and Hilliard Gates Sports Center. Your Mastodon Student ID card is an important piece of identification both on campus and in the surrounding community. Be sure to obtain your Mastodon ID Card.

V. **Advance Credit/Transfer Credit Evaluation (**Undergraduates Only)**

** Instructions in this section generally apply to undergraduate students. All graduate-level credits from other institutions must be evaluated by each graduate department to determine if they will meet IPFW’s graduate degree requirements.

- For undergraduate students, advance or transfer credit may be possible at IPFW for university-level study either in the U.S. or in another country, for A-Levels, for International Baccalaureate diploma courses, or other permitted advanced-level type coursework.

- To allow you to register for appropriate classes at IPFW, every effort is made to complete evaluations of all transcripts and examinations received prior to your arrival on campus. A report will be mailed to you soon after your offer of undergraduate admission. You may also view your credit evaluation by logging into myIPFW account, click on the Academics tab and click on the unofficial transcript. Your Academic Advising Office will also receive this information.

- No credit will be added to your permanent IPFW record until a final official transcript or attested copy of your Examination Certificate has been received by OIE. You must request that your university or Examination Board send these documents directly to the Office of International Education with an official certified English translation (as applicable) OR you must bring an original or attested copy of your final transcript or examination certificate with you to the OIE with an official English translation. Also bring official course descriptions from your university for each course completed or examination passed. Documents received for evaluation after your arrival will be evaluated as soon as possible.

**SECTION 6: HOUSING

- To guarantee on-campus IPFW Student Housing ([http://new.ipfw.edu/reslife/](http://new.ipfw.edu/reslife/)), you must complete your housing application as soon as possible. The application can be found online at [http://new.ipfw.edu/offices/housing/forms/](http://new.ipfw.edu/offices/housing/forms/). You will need to submit a payment for the application fee and housing deposit when applying. Please review this site for frequently asked questions and information on arrival and residence hall options. Your contract will become legal and binding when you sign it and the lease start date will be indicated on the contract along with payment due dates. Don’t forget to bring the original contract with you with the signatures of your guarantor. You will need to complete an Early Arrival Move-in form and will be responsible for an early move-in fee if you arrive for on campus housing before August 17. You will be responsible to pay the arrival fee in advance or upon arrival. There is no difference between graduate and undergraduate housing. If you have questions regarding housing options contact: 260-481-4180 or email: housing@ipfw.edu

- If you choose to live off-campus, you will need to make your own arrangements prior to your arrival or your options will be very limited.
SECTION 7: CARRYING CURRENCY

- Be certain you arrive at IPFW with sufficient U.S. dollars or access to funds to meet your living expenses for the first month. Cash is ONLY accepted at the Bursar’s Office on campus. Student Housing and the Office of International Education do not accept cash as a form of payment. If you live off-campus, some landlords will require you to pay both, the first and the last month’s rent in advance, as well as a security deposit. Plan ahead to avoid problems. However, do not carry large amounts of cash with you! If you purchase traveler’s checks, they must be issued in US dollars. Please note that not all stores and outlets may accept payment in traveler’s checks. You may first have to deposit the funds into a US bank account. If you plan to use a bank card/debit card, please also note that there may be limits to the amount of cash that you can withdraw on a daily basis. Do not place your cash, credit cards or traveler’s checks in your checked luggage. Wearing a money belt or pouch that can be kept out of sight under your clothing is recommended.

- If you bring your own national currency, please exchange it to U.S. dollars upon arrival at the airport because there is no bank that is able to immediately exchange currency in Fort Wayne, Indiana. Some banks provide this service for a fee, but it takes several days to get your money exchanged.

SECTION 8: HEALTH INSURANCE REQUIRED

**IPFW requires that all international students in F-1 or J-1 status to purchase the University-sponsored health insurance plan unless the student falls into one of the following three categories to qualify for a waiver. Waivers must be submitted each semester. Individual and private insurance companies do not qualify for a waiver.** Please note: Failure to submit a valid waiver request by the compliance deadline will result in loss of the waiver option.

I. **Category # 1** – Government-sponsored students whose home government purchases insurance for students and does not just supply funds to purchase an insurance plan of their choice.

II. **Category # 2** – Students employed by a US-based employer or the dependent of a US-based employee with employer-based health insurance.

III. **Category # 3** – Students who are participants in an official study abroad exchange program (J-1 exchange students).

If you are in one of the three categories eligible for a waiver, please note the minimum criteria for granting a waiver are as follows:

1. Coverage must be in effect from the 1st day of classes through the last day of final exams.
2. Medical benefits per accident or illness of at least $200,000.*
3. Repatriation of remains in the amount of $25,000.*
4. Medical evacuation coverage in the amount of $50,000.*
5. An annual deductible per year not to exceed $500* per illness (per person).
6. To qualify, an insurance policy must be underwritten by an insurance corporation with an A.M. Best rating of "A-" or above, an Insurance Solvency International, Ltd. (ISI) rating of "A-I" or above, a Standard and Poor's Claims Paying Ability rating of "A-" or above, or a Weiss Research, Inc. rating of B+ or above. Alternatively, the participant’s policy may be backed by the full faith and credit of the government of the exchange visitor’s home country.

**Amounts must be in US dollars($) and are the minimal amounts required at the time a waiver request is reviewed at the University.** There is no monetary profit for the University if a student purchases the University plan. The benefit is ensuring that all international students have an adequate health insurance plan and are protected from huge financial burdens.
