STUDY ABROAD IN
ENGINEERING & TECHNOLOGY

UPDATED SPRING 2016
7 STEPS TO STUDYING ABROAD IN YOUR MAJOR

1. Meet with your study abroad advisor to start your search

2. Learn more about each institution on its www.isep.org directory pages

3. Find courses in your major using course catalogs

4. Speak with your academic advisor for course approvals

5. Pay attention to language requirements

6. Start your application at www.isep.org/apply

7. Have questions? Contact us at info@isep.org

Industrial Engineering
**Technische Universität Graz, Austria**

**Strengths:**
- Civil Engineering (several courses offered at master’s level)

**Highlights:** ISEP students enrolled at Technische Universität Graz may also sign up for courses offered at Karl-Franzens-Universität Graz at no further cost.

**Edinburgh Napier University, Scotland**

**Strengths:**
- Architectural Technology
- Building Surveying
- Civil and Timber Engineering
- Civil and Transportation Engineering
- Civil Engineering
- Construction and Project Management
- Energy and Environment Engineering
- Polymer Engineering
- Property Development and Valuation
- Quantity Surveying
- Real Estate Surveying

---

**Universität of Debrecen, Hungary**

**Strengths:**
- Civil Engineering
- Structural Engineering/Infrastructural Engineering (courses available in English)

**Highlights:** The institute is well equipped with physics, electronic and computer laboratories. Debrecen emphasizes quality in education and research by creating platforms for learning and through targeted research excellence.

**Göttfried Wilhelm Leibniz Universität Hannover, Germany**

**Strengths:**
- Civil Engineering (some courses available in English)

**Highlights:** Graduate students in the engineering fields are encouraged to apply for research work and study projects in one of our research centers. The Univ. of Hannover is a member of the “TU9 - German Institutes of Technology,” a group which includes nine technical universities of excellent standing.

---

**Yonsei University, South Korea**

**Strengths:**
- Materials Science and Engineering
- Coastal Engineering
- Construction Engineering
- Environmental Engineering
- Geotechnical Engineering
- Water Resources Engineering
- Structural Engineering
- Transportation Engineering
- Surveying

**Highlights:** Research opportunities are available with the Civil Engineering Research Institute, a research center founded to promote cooperations between industry, academia and research. The institute aims at development of advanced techniques for new construction materials, SOC systems, water resources and environmental systems and information and management systems.

---

**Luleå University of Technology, Sweden**

**Strengths:**
- Civil Engineering

---

**Notes:**
- ISEP Exchange program
- ISEP Direct program
- ISEP summer program also available
- Volunteer or internship experiences available
- Course information is available online
- Courses in English
- Course in host language

| Italian | Italy | Univ. degli Studi di Firenze |
| Italy | Univ. degli Studi di Trieste |

STRENGTHS:

- Geotechnics
- Structures
- Hydrology and hydraulics
- Construction and Project Management
- IT
- Mining
- Geomatics, Water and Environmental Engineering

HIGHLIGHTS: The science and engineering departments have well-equipped laboratory facilities which are comparable to those found in the developed world. Students may participate in service learning and internship opportunities.

UNIV. OF BOTSWANA, BOTSWANA

STRENGTHS:

- Civil Engineering

UNIV. CATÓLICA DEL NORTE, CHILE

STRENGTHS:

- Renewable Energy in Civil Engineering

HIGHLIGHTS: Specialized master’s-level program in renewable energy in civil engineering offered in English during the fall semester. Program is open to qualified undergraduates, and students can combine subject area courses in English with French language courses for international students.

UNIV. DU HAVRE, FRANCE

STRENGTHS:

- Renewable Energy in Civil Engineering

HIGHLIGHTS: Specialized master’s-level program in renewable energy in civil engineering offered in English during the fall semester. Program is open to qualified undergraduates, and students can combine subject area courses in English with French language courses for international students.

UNIV. ALFONSO X EL SABIO, SPAIN

STRENGTHS:

- Hydrology
- Construction
- Transport
- Urban Services

HIGHLIGHTS: Students with advanced language skills may receive assistance in locating unpaid internships.
AMERICAN UNIV. OF
SHARJAH, UNITED ARAB
EMIRATES

STRENGTHS:
• Digital Systems
• Ethics for Computing and IT
• Design and Programming
• Data Structure and Algorithms
• Operating Systems
• Database Systems
• Programming Languages
• Software Engineering
• Human Computer Interaction

HIGHLIGHTS: American University of Sharjah was the first university in the Gulf region and the second outside the U.S. to be ABET-accredited.

INSTITUT NATIONAL DES SCIENCES APPLIQUÉES DE LYON, FRANCE

STRENGTHS:
• Information Science and Technology Semester

HIGHLIGHTS: The semester program is composed of courses in English, significant research and lab work, and French language classes. This program only takes place in the fall.

MÅLARDALEN UNIV., SWEDEN

STRENGTHS:
• Software Engineering
• Computer Science
• Real Time Systems

INTERNATIONAL UNIV. V VIETNAM NATIONAL UNIV. HCMC, VIETNAM

STRENGTHS:
• Computer Science
• Computer Engineering
• Network Engineering
• Programming
• Software Engineering
• Operating System
• Computer Architecture
• Digital Logic Design
• Introduction to Artificial Intelligence

HIGHLIGHTS: Many opportunities to get involved in service projects.

UNIV. OF TECHNOLOGY, SYDNEY, AUSTRALIA

STRENGTHS:
• Information Technology
• Games Development
• Web Systems
• Programming Fundamentals
• Introduction to Information Systems
• Networking Essentials
• Database Fundamentals
• Software Engineering

LULEÅ UNIV. OF TECHNOLOGY, SWEDEN

STRENGTHS:
• Computer Science
• Software Engineering

JOHANNES KEPLER UNIV. LINZ, AUSTRIA

STRENGTHS:
• Computer Science

AMERICAN UNIV. IN BULGARIA, BULGARIA

STRENGTHS:
• Computer Science
• Information Systems

TECNOLÓGICO DE MONTERREY (ITESM) - MONTERREY CAMPUS, MEXICO

HIGHLIGHTS: ABET accredited for computer science program.

UNIV. WEST, SWEDEN

STRENGTHS:
• Computer Science
• Computer Aided Design

ISEP Exchange program
• ISEP Direct program
• ISEP summer program also available
• Volunteer or internship experiences available

**STRENGTHS:**

- Programming
- Algorithm Design and Analysis
- Software Engineering
- Intelligence Systems
- Database Technology
- Applied Networking (CISCO)
- Computer Graphs
- Interactive Multimedia
- Applied Database
- Computer and Human Interaction
- Operation System
- Computer Architecture
- Computer Networking

**HIGHLIGHTS:**

- BINUS is on of the top computer studies and information technology programs in Indonesia.
- BINUS has hosted the Association for Computing Machinery - International Collegiate Programming Contest, allowing students to compete against other top international institutions.
- The university also hosted the Google Developer’s Festival. Occasionally, there are opportunities to take specialized IT certification courses by local industry partners, such as training for Cognos (Business Intelligence and Performance Management Software), owned by IBM.
ULSTER UNIV., NORTHERN IRELAND

STRENGTHS:
- Electrical and Electronic Engineering
- Electronic Engineering

KOREA UNIV., SOUTH KOREA

STRENGTHS:
- Electrical Engineering

HIGHLIGHTS: Departmental research and internship opportunities.

LULEÅ UNIV. OF TECHNOLOGY, SWEDEN

STRENGTHS:
- Electrical Engineering

HIGHLIGHTS: Courses in English.

TECHNISCHE UNIV. DORTMUND, GERMANY

STRENGTHS:
- Electrical Engineering

THE CHINESE UNIV. OF HONG KONG, HONG KONG

STRENGTHS:
- Electrical Engineering

HIGHLIGHTS: This department features numerous opportunities including involvement with research centers and institutes, competitions and societies, work study opportunities with the Placement and Internship Program, the Global Educational Exchange Program in Engineering and summer research internships.

STRENGTHS:
- Automotive
- Civil
- Computer
- Electrical and Electronics
- Energy
- Geomatics
- Industrial
- Mechanical
- Mechatronics

HIGHLIGHTS:

THE CHINESE UNIV. OF HONG KONG, HONG KONG

STRENGTHS:
- Computer Science
- Mathematics and Information Engineering
- Biomedical Engineering
- Computer Engineering
- Electronic Engineering
- Energy Engineering
- Information Engineering
- Mechanical and Automation Engineering
- Systems Engineering and Engineering Management

HIGHLIGHTS: This department features numerous opportunities including involvement with research centers and institutes, competitions and societies, work study opportunities with the Placement and Internship Program, global educational exchange program in engineering and summer research internships.

TECHNISCHE UNIV. CAROLINA-WILHELMINA ZU BRAUNSCHWEIG, GERMANY

STRENGTHS:
- Foundational
- Architecture
- Civil
- Computer
- Biomedical
- Electrical
- Information
- Mechanical
- Economic
- Technical Math
- Chemistry and Physics Engineering

HIGHLIGHTS: Facilities include a library, a sophisticated computer center, sports center, language laboratory and media library, high magnetic field laboratory and Center for Water-Wave Experiments in Hannover. Technische University Braunschweig is a member of the TU9.

THE CHINESE UNIV. OF HONG KONG, HONG KONG

STRENGTHS:
- Automotive Engineering
- Chemical and Bioengineering
- Civil Engineering
- Electronics Engineering
- Energy Engineering
- Industrial Engineering
- Information Systems
- Natural Resources and Geoenvironmental Engineering
- Nuclear Engineering
- Organic and Nano Engineering
- Urban Planning
- Computer Science and Engineering
- Electrical and Bioengineering
- Material Science and Engineering
- Mechanical Engineering

HIGHLIGHTS: Credit bearing internship opportunities for engineering students at the Center of High Technology Services.

EDINBURGH NAPIER UNIV., SCOTLAND

STRENGTHS:
- Architectural Technology
- Building Surveying
- Civil and Timber Engineering
- Civil and Transportation Engineering
- Civil Engineering
- Construction and Project Management
- Energy and Environment Engineering
- Polymer Engineering
- Property Development and Valuation
- Quantity Surveying
- Real Estate Surveying
- Product Design Engineering
- Mechatronics
- Mechanical Engineering
- Engineering with Management
- Electronic Engineering
- Electronic and Electrical Engineering

HIGHLIGHTS: Many research institutes at the university are associated with engineering fields.
TECHNISCHE UNIV. GRAZ, AUSTRIA

STRENGTHS:
- Foundational
- Architecture
- Civil
- Computer
- Biomedical
- Electrical
- Information
- Mechanical
- Economic
- Technical Math
- Chemistry and Physics Engineering

HIGHLIGHTS: ISEP students enrolled at Technische Universität Graz may also sign up for courses offered at Karl-Franzens-Universität Graz at no further cost.

UNIV. DE VIGO, SPAIN

STRENGTHS:
- Industrial
- Industrial Organization
- Electrical
- Industrial Electric and Automatisms
- Industrial Chemical, Mechanical
- Industrial Electronics and Automatisms
- Industrial Technical
- Energy
- Mining Resources and Underground Works
- Mining
- Telecommunications (Specializations in Sound and Image)

Tecnológico de Monterrey (ITESM) - Monterrey Campus, Mexico

STRENGTHS:
- Chemical
- Civil
- Electrical
- Electronic
- Electronics and Telecommunications
- Industrial
- Mechanical

HIGHLIGHTS: ABET Accredited, internships for students with advanced Spanish.

GOTTFRIED WILHELM LEIBNIZ UNIV HANNOVER, GERMANY

STRENGTHS:
- Mechanical
- Civil
- Electrical

HIGHLIGHTS: Graduate students in the engineering fields are encouraged to apply for research work and study projects in one of our research centers. Hannover is a member of the “TU9 - German Institutes of Technology,” a group which includes nine technical universities of excellent standing.

AMERICAN UNIV. OF SHARJAH, UNITED ARAB EMIRATES

STRENGTHS:
- Computer Science
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Electrical Engineering
- Industrial Engineering
- Mechanical Engineering

HIGHLIGHTS: American University of Sharjah was the first university in the Gulf region and the second outside the U.S. to be ABET accredited.
