Groups and individuals on January 5th and Jan 30th offered the following in response to each question
(Please note answers are paraphrased)

**Transition Questions (Individual Answers)**

What issues/concerns do we have regarding the transition to Purdue?

- Must clarify charge/parameters and decision making expectations
- Library access/funding
- How much autonomy will we have? Around what areas?
- Accreditation concerns
- IU Programs
  - Bulletin 2017-2018
  - General education – how will that work – If, after five years, IU pulls out of the general education agreement, how would they deliver their gen ed? What % of our credit hours would that represent?
  - Rules for new courses
  - How will IU students gain access to services?
  - Faculty & Staff: how will benefits, leave time, retirement be affected for faculty and staff moving to IU?
- PWL EPA is reviewing all of their policies – should we coordinate with them?
- Should music, public policy, general studies etc. anticipate changes to their degree programs as they transition to Purdue?
- Are all academic regulations going away to be replaced by Purdue system regulations?
- Will registration, financial aid, admissions stay the same?
- Logistics: domain name change, IU Ware Replacement, registrations, grades etc. for IU students
- Process timelines for moving courses, programs etc
- Specific to individuals
  - Tuition benefits for child in a Purdue program (for an 18-20 person moving to Purdue)?
