Realignment

• Split IPFW into two universities
  • IU Health Sciences Campus
    • Dental Education, Medical Imaging, Nursing
  • Purdue University Fort Wayne/Northeast
    • Everything else

• Current expectations
  • IU students will take General Education and non-health sciences courses with Purdue
  • “Seamless” student experience
Realignment

- “IPFW Agreement” document establishes main parameters
  - Variety of “ancillary agreements” still need to be developed
  - Specific details over how everything will work
Realignmet—Processes

- Administrative changes
  - Transition of current IU-mission programs to Purdue
  - Academic regulations
  - Variety of other changes less consistently visible to faculty

- Transition Team and Ancillary Agreements
  - Transition Team (Purdue and IU systems)
  - Joint Steering Committee (IPFW, Purdue, IU)
  - Working Groups (IPFW, Purdue, IU)
# Realignment—Working Groups

Realignment—Opportunities

- Academic Reorganization
  - Post-realignment, HHS = 2 departments
  - How much do we want to change?
- Interdisciplinary programming and partnerships
- Faculty-driven process
  - Start with considering what’s possible
  - Remove all of the barriers, and what is the educational experience you would want your students to have?
