Groups and individuals on January 5th and Jan 30th offered the following in response to each question

(Please note answers are paraphrased)

Transition Questions (Individual Answers)

What topics should we discuss at future meetings?

1. Transition Processes:
   - Deadlines
   - Tasks
   - Updates

2. Students:
   - figuring out student service changes (admissions, registrar, advising, tutoring, international education, etc.)
   - talking with students about the transition

3. Future governance (including issues of employment, P & T) and structure changes
   - How much autonomy will we have?
   - Potential meeting with IU and PU leadership about their view of us, willingness to invest etc.

4. Changes to branding, name, mission, vision

5. Cost analysis
   - Cost of transition
   - Potential changes in state appropriations
   - IU paying for facilities, services etc.

6. Future looking
   - Potential program expansion/enhancement
   - IU and general education
   - Planning for decreased numbers students
   - Keeping our IU colleagues as colleagues

7. Library plans

8. Talking with the community/media about the transition

9. Logistics: changes in domain name, software, processes
