Post realignment/potential reorganization questions *(Group answers)*

What additional information/data would be helpful/should inform this process?

- Goals (targets) of the process – FTE, efficiency, budget (is compatibility with prude structure required? Desired?), is there an ideal number of colleges?
- Accreditation
- Enrollments, department size
- Resources/allocation
- Community needs
- Administrative needs
- Use of space/physical resources
- Collaboration with other departments; could some departments be combined?
- Could Fort Wayne create something new that we could be known for?
- Information about successful departments (research, peer institutions)
- Degree descriptions: outcomes, benefits, career paths, requirements etc.
- Comparison with peer institutions
