MAKE YOUR MOVE

WE'RE WITH YOU EVERY STEP OF THE WAY.
Can I get into IPFW?

You are considered a transfer student if you have completed at least 30 credit hours after graduating high school. We’ll consider you for admission if you’ve earned a minimum cumulative grade point average (GPA) of 2.0 on a 4.0 scale from your most recent regionally accredited college or university. If you have under 30 credit hours, your high school transcript will also be evaluated.

If you have questions about your eligibility for admission, contact us at transfer@ipfw.edu.

What can I afford?

Our financial aid counselors can help you find more ways of keeping college affordable. Visit ipfw.edu/financial-aid for more information on tuition, scholarships, and resources.

Yes! As long as the following conditions are met, credits you’ve earned at a previous university will transfer to IPFW:

- Attended a regionally accredited institution
- Earned a grade of C- or higher

Please note that remedial, technical, and vocational courses do not transfer.

Transcript evaluation

Not sure which courses will and won’t transfer? Email your unofficial transcript to transfer@ipfw.edu for an unofficial transcript evaluation. Learn which courses may apply toward your degree at IPFW.
